SprayAway (Odour Eliminator)

INFORMATION SHEET

Product Description: An odour neutralising spray designed to combat odours, eliminating the odour not just masking it. It is extremely effective on all odours from a bacterial source. It is not effective on smells originating from a chemical source.

Benefits:

- Non-Toxic
- 100% Environmentally friendly
- No Chemicals
- Biodegradable

Applications:

- Pets Litter Trays/soiling areas
- Garbage Bins
- Nappy Buckets
- Compost/Scrap Bins
- Car Sickness odours etc.

Dosage:

Lightly mist over affected area. Repeat if necessary.

This product is packaged in a 500ml bottle with trigger spray

Works with nature – not against it!
